

**YES, I WANT TO BECOME A
MEMBER OF CENTRAL MN'S
MOST UNIQUE ART FACILITY!**

Dear Artist,

Thank you for your interest in the Central Minnesota Art Co-op. We would like to invite you to become a member of CMAC. Your membership will add to our facility's vitality and provide you with greater access to the power of art in your life. We hope you will consider joining us for another exciting, growing, art-filled year!

We are grateful to artists like you; your talents enrich the entire art community. That's why we want you to be a member of CMAC! Your membership helps develop artistic venues (like CMAC's drive-in theatre and open-mic stage), helps provide arts education for people of all ages (teaching opportunities available), and supports special art events (annual art crawls, juried shows, and art challenges).

Through your membership, not only are you opening up the world of art to others, but you're also entitled to an array of **valuable member benefits**, such as:

- Opportunities to network with area artists, art organizations and galleries.
- Personal e-commerce storefront at www.cmnartcoop.com.
- FREE studio club access.
- Discounted commission rates in our fine art gallery, which is staffed and open 6-days a week.
- Shared equipment usage and wholesale art supplies purchasing power.
- Art management, artist development and placement assistance.
- Discounted exhibit space at CMAC events.
- 20% discount on classroom and studio rentals.

Our artist membership is our most popular option and includes the best benefits for the buck. Do you have more appreciation than money right now? If so, don't worry! You can still be a CMAC member. Our "Contributing Membership" is based on 60 hours of volunteer service in exchange for a full membership.

Are you an art instructor? Download our class proposal form at www.cmnartcoop.org/downloads. We are always looking for new and exciting opportunities to offer at our facility (classes must be preapproved by CMAC Board of Directors).

We would appreciate your membership and **hope that you will consider supporting art development in Minnesota**. Your financial support is truly more important than ever. Join by returning the enclosed form. **Questions?** Call CMAC at (763) 389-5522.

Make plans to visit soon to take advantage of another year at the Central Minnesota Art Co-op, made possible by your generosity and membership!

Sincerely,

Wendy Bursch
Executive Director
