

YES, I WANT TO SUPPORT ART IN PRINCETON!

August 1st, 2014

Dear Friend of the Arts,

Thank you for your interest in the Central Minnesota Art Co-op (CMAC). We would like to invite you to become a member of CMAC. Your membership is vital in helping us realize our vision to inspire through the power of art.

We are grateful for members like you; your support enriches the entire community. A CMAC membership helps develop community activities (CMAC Drive-In Theatre scheduled to open August 14th), helps provide arts education for people of all ages (and art levels) and supports special art events (like our annual art crawl). Your membership builds inner community, supports local businesses by attracting tourism, and increases economic development. Our general membership starts as low as \$1.67 per month (on an annual plan) ... that's less than a cup of coffee!

Through your membership, not only are you opening up the world of art to others, but you're also entitled to an array of **valuable member benefits**, such as:

- Opportunities to network with area artists, and learn about other art organizations and galleries events.
- Retail gallery discounts and specials.
- Free exhibit passes.
- Advanced class notice and event invitations.
- Family perks, club passes, namesakes and reservations are also available.
- MOST importantly ... your membership helps enrich our community!

If you're an artist, our artist membership is our most popular option and includes the best benefits to help you promote and sell your art. Do you have more appreciation than money right now? If so, don't worry! You can still be a CMAC member. The contributing artist membership is based on 60 hours of volunteer service in exchange for a full artist membership. Contributing is not just for artists though, non-artists can gain membership through volunteering in our "Friends of CMAC" group.

We would appreciate your membership and **hope that you will consider supporting art development in our community**. Your financial support is truly more important than ever. Join by returning the enclosed form. **Questions?** Call CMAC at (763) 389-5522.

Make plans to visit soon to take advantage of another year at the Central Minnesota Art Co-op, made possible by your generosity and membership!

Sincerely,

Wendy Bursch
Executive Director
